150 YEAR ANNIVERSARY MOVIE

The history of the Hornell Public Library, a community treasure, will be featured in a movie that depicts it's role in the Hornell community from 1868-2018. Also featured will be 150 year celebration of the Hornell Library Association. The movie, developed by Linda Walters 6th grade Technology Class at Hornell Junior High, will have its preview showing at the Spotlight Theater on Main street in Hornell. Admission is FREE and all are invited. The movie will also be available at the Hornell Public Library for viewing and/or check out. A unique feature in the movie will be interviews by the 6th graders of businesses, churches and local organizations that have served the community for 100 years or more. This will surely uncover some of the true history of these organizations. So come one come all to this *RED CARPET EVENT*. It's bound to be one of your top movies for 2018.
